PREPAID MAINTENANCE AGREEMENT (PMA)

1 HOW THIS SECURITY+PLUS PMA PROTECTS YOU

In return for your payment, NESNA*, the Administrator/Provider, will authorize a participating Nissan dealer to perform the service(s) and replacement of the parts listed and described in the Exhibit of this PMA, as applicable to the vehicle which is covered by the PMA. Please refer to the Exhibit for coverage information.

***Nissan Extended Services North America, GP, P.O. Box 685004, Franklin, TN 37068-5004, Tel. 800-647-7261.**

2 YOUR PMA TERM

This PMA applies during the term shown in the Application/Declaration. This PMA begins at the time the PMA is sold and the odometer reading on that date.

This PMA continues until the expiration date or vehicle mileage listed in the Application/Declaration is reached, or until the performance of the final maintenance service covered (listed in the Exhibit) by the term of this PMA as provided in the Application/Declaration, whichever is earlier.

"Odometer Reading," which appears in the Application/Declaration, means the actual number of miles which the vehicle has been operated since manufacture as indicated on the vehicle's odometer, **unless the odometer is/has been broken, has been replaced or has been tampered with**. In such a situation, NESNA will make a good faith calculation of the total actual number of miles of vehicle operation since manufacture based on the information available. If ever the odometer is tampered with, and/or is inoperative, so that the vehicle's total actual number of recorded miles of operation since manufacture cannot be accurately determined by NESNA, this PMA will be void. Odometer reading reflects the mileage based upon the recording device and numerous factors, and may not reflect the actual distance traveled.

3 WHAT IS COVERED

Refer to the Exhibit for coverage afforded by this PMA, up to the time/mileage term limit (whichever occurs first) listed in the Application/Declaration.

4 WHEN THESE SERVICES MAY BE PERFORMED

The routine maintenance services described in the Exhibit of this PMA should be performed at the time and mileage intervals specified. The number of services you can receive is based on the maintenance interval. Services can be used at any time, until you have used all your available services or your contract expires by time of mileage, whichever comes first.

5 SCHEDULED MAINTENANCE SERVICE COVERAGE

Please refer to the Exhibit for specific items and intervals. For details relating to the expiration of your PMA, refer to Section 2.

6 PARTS/FLUID REPLACEMENT

This plan covers replacement of engine oil and oil filter. Replacement of covered parts/fluids will be made with Genuine Nissan or Nissan-approved replacement parts. Please refer to the Exhibit for parts/fluids covered. This plan pays for oil changes using engine oil specified in your Owner's Manual. Your Nissan dealer may offer you alternative oils; or Genuine Nissan Ester Oil, neither of which is covered by this PMA, but is available for the additional cost of the alternative oil at the time of each oil change.

7 HOW TO RECEIVE SERVICES

- **Return the vehicle to the selling Nissan dealer or any participating Nissan dealer.**
- **Keep this PMA available in your vehicle.**

These services must be performed by your selling Nissan dealer or by any participating Nissan dealer in the U.S. (including Alaska and Hawaii, but excluding U.S. Territories). If you require assistance in locating the nearest participating Nissan dealer, visit https://www.nissanusa.com/dealer-locator or call Nissan Consumer Affairs at 800-NISSAN-1. Services performed at any other service facility are not covered under the terms of this PMA and will NOT be eligible for reimbursement.

8 NO DEDUCTIBLE

No deductible is required for any parts or services eligible under this plan.

9 WHAT IS NOT COVERED

Any items not listed in the Exhibit for your type of plan and vehicle are not covered. Maintenance otherwise covered by this PMA which is required due to incidents caused by operating the vehicle in severe usage conditions such as pulling a trailer or other vehicle that exceeds Nissan's recommendation or exceeding the maximum Gross Vehicle Weight (GVW) of the vehicle is not covered by this PMA. (See your Owner's Manual.) This PMA does not cover incidental or consequential damages including but not limited to loss of the use of the vehicle, rental vehicle, storage charges, lost wages, inconvenience, and commercial loss.

No refunds will be given for maintenance not performed at the prescribed intervals, or for maintenance services that do not apply to a particular vehicle.

10 NOT A WARRANTY

BY ENTERING INTO THIS PMA, YOU DO NOT WAIVE ANY APPLICABLE WARRANTIES. Be sure to read this PMA carefully so that you understand the difference in coverage between your Warranties and this PMA. FURTHER, you are advised that there are various state and Federal laws that protect your interests. If a problem cannot be resolved with NESNA, then you may have other rights and remedies available.
