Why Security+Plus?

For over 30 years, we've provided **Service You Can Trust** — comprehensive, factory-backed coverage for Nissan Owners and repairs at any authorized Nissan dealership nationwide. With over three million vehicles on the road today covered by our products, we are one of the largest service contract providers in the automotive marketplace.

How am I protected?

Your Nissan vehicle warranty is very comprehensive. It covers virtually every part in your vehicle and can help prevent you from paying expensive repair bills. There's only one problem — it ends. A Security+Plus Extended Protection Plan can help protect you from unexpected repair costs when your factory warranty expires. Plans lock in today's parts and service rates too.

Guard against the rising cost of repairs

The average age of cars and light trucks currently in operation in the U.S. has increased to 12.6 years.¹ As your vehicle gets older, both the risk and cost of repairs may increase. Our contract terms and options provide you with an unparalleled long-term value, right now.

- **Choice of plan level that best suits you** with \$0 or \$100 deductible, per visit
- **Payment-free service, other than your deductible** Dealers are paid directly
- **Transferable** if you sell before your coverage expires; helps enhance resale value²
- **Wide Range of Term Options** available for both New and Pre-Owned
- **Customer Assistance** throughout the United States at any Nissan dealer or by calling 800-NISSAN-1
