NISSAN

Security+Plus®

Security+Plus® Electric Vehicle (EV) Service Contracts

Maximize Your EV's Long-Term Coverage

Protect your EV beyond your factory warranty — up to 8 years / 120k miles.

NISSAN®

EV Certified Dealer

Enhanced Protection with Gold Preferred

With **Gold Preferred**, virtually all major systems of your EV are covered.[1,2]

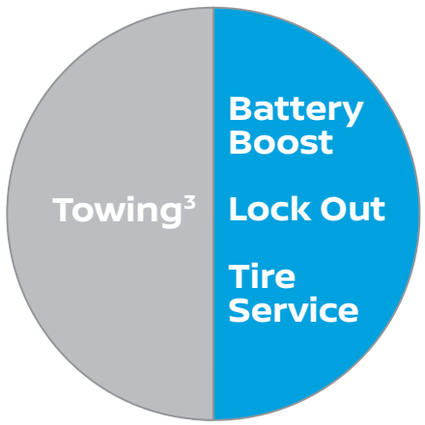

In fact, the **Gold Preferred** plan offers exclusionary coverage, the best service contract coverage level available in the marketplace.

Silver Preferred plans cover the repair cost for mechanical breakdown of the parts listed on the service contract.

A **CPO Wrap Upgrade** plan elevates the Certified Pre-Owned Limited Warranty coverage to match Gold Preferred, adding key vehicle systems, nearly 1,000 components and eliminating the $100 per visit deductble.

Protection On the Road

Nearly 50% of all Roadside Assistance[4] calls are due to non-mechanical issues.

Convenient & Economical Terms

Security+Plus delivers peace-of-mind protection against repair cost inflation and mechanical breakdown after the new vehicle Factory Limited Warranty (3 years / 36,000 miles) expires. Our contract terms & options provide you with an unparalleled value, right now.

New EV Plans

You can purchase anytime up to 3 years / 36,0000 miles from the original in-service date and 0 miles on the odometer, which is when coverage begins.

Pre-Owned EV Plans

You can purchase anytime. Coverage begins on purchase date and miles on the odometer when the contract is purchased.

EV CPO Wrap Upgrade

The EV CPO Wrap Upgrade can be sold when you buy your EV CPO or within 90 days after.

[1] There is only a small list of excluded parts, consisting of but not limited to: Regular Maintenance, Cosmetic items, and Physical Damage. For complete information concerning components covered and those components that are excluded from coverage, please refer to the Security+Plus Vehicle Service Contract or contact your local Nissan dealer.

[2] Any and all High Voltage Electric Battery cells / modules and sensors are excluded from coverage.

[3] Towing reimbursement up to a maximum of $100 per claim. Tow-to location at the sole discretion of Security+Plus. Restrictions apply.

[4] Towing and Emergency Roadside Assistance benefits under a Security+Plus VSC are not available if sold by a California dealer.

Essential Coverage Included with All Plans

Security+Plus Vehicle Service Contracts for Nissan EV include coverage of:

Powertrain
Primary components, including Electric Motor, Inverter and Reducer[2]

Transmission (Reduction Gear)
Primary internal and external components for EV transmission

Benefits Start Immediately

Emergency Roadside Assistance[4]

24 hours a day, 365 days a year. Emergency services include flat bed towing to nearest vehicle charging or tire repair facility[3] and lock out assistance. Reimbursement up to a maximum of $100 per claim. Deductibles do not apply.

EV Towing Benefits[4]

Security+Plus Vehicle Service Contracts offer towing,[3] up to a maximum of $100 per claim, for Nissan EV owners via flatbed tow-truck to either: your home for charging; EV Roadside Charging / an independent charging facility; or an authorized Nissan Certified Electric Vehicle dealership for charging or repair of a covered mechanical breakdown.

Trip Interruption Reimbursement[4]

Reimburses you for meals, lodging and alternative transportation up to $500, any time your vehicle is disabled due to a mechanical breakdown caused by a covered component and you are more than 100 miles from home.

Car Rental Assistance

Reimbursement for actual expenses for substitute transportation up to $42/day, to a maximum of five (5) days, and $210 per breakdown.
